FOR IMMEDIATE RELEASE

The Beachcomber at Las Canas Announces New Name: Las Canas Beach Retreat, Following Extensive Renovations

CABARETE, Gaspar Hernández, Dominican Republic, November 24, 2026

The beachfront property formerly known as The Beachcomber at Las Canas is pleased to announce its new name: LAS CANAS BEACH RETREAT.

The property has undergone significant renovations and improvements starting in July 2023 and completed in July 2026, as part of a comprehensive effort to enhance the guest experience and further develop the property as a distinctive beach front retreat specialized in the accommodation of groups for up to 60 guests. This includes complete renovation and reimagination of all suites and their outdoor space, remodeling of the restaurant, new construction of a palapa, addition of pickleball and volleyball court, and renovation of ocean deck.

This renovation and the considerable investment reflects a renewed commitment of the owner family to providing groups of various sizes with an attractive, comfortable and welcoming environment on idyllic north coast of the Dominican Republic.

Although the property's name has changed, LAS CANAS BEACH RETREAT remains the same family owned property, at the same serene beachfront location, continuing with the individualized hospitality that groups deserve under the new identity.

The new name, LAS CANAS BEACH RETREAT, will be used consistently in the property's marketing, communications, reservations and guest services.

This announcement is intended to formally document the property's name change from The Beachcomber at Las Canas to LAS CANAS BEACH RETREAT.
